PASTORS CORNER

God gives Christians spiritual gifts, to be used to "build up the church" (1Cor 14:12). And by church, He means us, the believers, the body of Christ. We sometimes tend to think of the church as a building, or an entity different than ourselves. But each of us is an invaluable part of the church. We are the church. So when we see that God intends for us to build up the church, He intends for us to build up each other. No matter your age, young or old, I encourage you to ask yourself this question: "How can God use me to build up the church?". Remember, the church is people. There are many ministries in this church, and you may be the missing piece they are praying for you to join.

I'd like to highlight children's ministry, as they are looking for specific volunteers right now. We are looking to put together a musical team to rotate between Sabbath school classes playing worship songs for the kids. We are also looking for people to help designing posters to print, making puppets, as well as help with special programs that take place on Sabbath. Last but not least, it's not too early to volunteer for VBS in the summer. Please contact Christine Leites at francocg@yahoo.com if you'd like to serve in this ministry, or for more information.

Beyond joining a ministry, we are all called to personal ministry. If you feel like you cannot find your place, know that it each for each of us to encourage one another, to "consider how to stir up one another to love and good works" Heb. 10:24. So even if you have found your place in the church, God has placed on us the duty of stirring up someone else. Maybe the person next to you needs a nudge. Maybe they need a little encouragement so that the love of Christ can flourish inside of them. God can do mighty things in and through us, let's encourage His work in each others lives. - Pastor Andrew
