YOUTH CORNER

"I care". It's one thing to say, and another thing to actually prove. Has anyone ever said that to you, and you wondered, "Do they really?". I'm glad Jesus didn't leave the answer to that question up to our imagination. Jesus demonstrated through His life here on earth that God does indeed care. What message do we as a church send to others? Is simply tell others we care, and that God cares, really going to get the point across to people?... not according to the example Jesus left us. In just two weeks, we will be beginning our spring revival week, with our young adults speaking. Everyone, all ages, are encouraged to attend as we explore Jesus' example through the theme "I care". Join us on March 14 and throughout the following week for a time of surrender to, and enlightenment of, God and His calling on our lives. The week culminates on March 21, Global Youth Day, where the youth of CPC and our region will go out into the community to serve. As we approach this week, please pray for the Holy Spirit to move in preparing our speakers and youth who are serving, but also the assistance in inviting someone you'd like to spend our engaging evenings with throughout the week together. God is moving within our community, so let's place ourselves in places where we can join Him in what He is doing. - Pastor Andrew

Health Corner

Proper nutrition is a foundation of good health and recovery. Several dietary patterns have been proven beneficial both for the prevention and management of chronic diseases, most of these dietary patterns are characterized by high consumption of plant foods and low consumption of animal-based, high-fat and processed foods. "In order to know what are the best foods, we must study God's original plan for man's diet. Grains, fruits, nuts, and vegetables constitute the diet chosen for us by our Creator. These foods, prepared in as simple and natural a manner as possible, are the most healthful and nourishing" (The Ministry of Health, pg. 295-296 E. G White).

PRAYER FOCUS

The spiritual banquet has been set before us in rich abundance. The righteousness of Christ, justification by faith, the exceeding great and precious promises of God in his word, free access to the Father by Jesus Christ, the comforts of the Holy Spirit, and the well-grounded assurance of eternal life in the kingdom of God. We ask, What could do for us that Has not done in preparing the great supper, the heavenly banquet.
